Book Description

From the Back Cover The most influential, enduring, and iconic metal band of the 1980s reveals everything a tellall of epic proportions. This unbelievable autobiography explores the rebellious lives of four of the most influential icons in American rock history. M tley Cr e was the voice of a barely pubescent Generation X, the anointed high priests of backwardmasking pentagram rock, pioneers of Hollywood glam, and the creators of MTV's first power ballad. Their sex lives claimed celebrities from Heather Locklear to Pamela Anderson to Donna DErrico. Their scuffles involved everyone from Axl Rose to 2LiveCrew. Their hobbies have included collecting automatic weapons, cultivating long arrest records, pushing the envelope of conceivable drug abuse, and dreaming up backstage antics that would make Ozzy Osbourne blanch with modesty. Provocatively written and brilliantly designed, this book includes over 100 photos, many never before published, for the most exciting and insightful look ever into the Cr e. About the Author M tley Cr e is Nikki Sixx, Vince Neil, Mick Mars, and Tommy Lee. Multiplatinum recording artists, international rock stars, and legendary raconteurs, M tley Cr e defined a generation.
