## Book Description

Review Millions have been inspired by Levin to be missionaries for liberty. Levin is too modest to accept the label of hero, but to lead the reawakening of constitutionalism and to shape a mass movement around it is a Herculean feat. Levin, nationally syndicated talkradio host, host of LevinTV, chairman of Landmark Legal Foundation, and the host of the FOX News show Life, Liberty, Levin, is the author of five

consecutive New York Times 1 bestsellers Liberty and Tyranny, Plunder and Deceit, Rediscovering Americanism, Ameritopia, and The Liberty Amendments. Liberty and Tyranny spent three months at 1 and sold more than 1.5 million copies. His books Men in Black and Rescuing Sprite were also New York Times bestsellers. Levin is an inductee of the National Radio Hall of Fame and was a top adviser to several members of President Ronald Reagan's cabinet....
