Book Description

Review Brilliantly executed might be the best book Harlan Coben has ever written. For such a master storyteller, that's a high bar indeed but one Coben effortlessly crests RUN AWAY features an effortlessness and fluidity that define everything great storytelling should be. A fantastic read and early contender for the best thriller of 2019. *bii*Providence Sunday Journal*iib*A thriller laced with plot twists and bombshells. *bii*USA Today*iib*A bombshell-laden thriller the sheer amount of jawdropping plot twists is impressive the breakneck pacing and audaciously intricate story line will have readers on the edge of their seats. *bii*Publishers Weekly*iib*Harlan Coben is a master at taking what seems to be an ordinary family and exposing the facade and secrets that are buried just below the surface. With Run Away, his writing and storytelling are firing on all cylinders and the seemingly straightforward tale takes a sharp turn when its least expected. The narrative continues to navigate that twisty mountainous road until the shocking conclusion. *bi*Associated Press*iib*A greased lightning domestic thriller. *bii*Kirkus Reviews*iib*A twisty, edge-of-your-seat thriller to say more would ruin the sheer genius of an absolutely brilliant, taut thriller that begs to be read in one sitting. *bii*Library Journal*i*starred review*iib*Solid Coben, with clever plotting and dead-on character sketches. *bii*Booklist*iib*Fans of Coben and there are many will not be disappointed RUN AWAY is a gripping, edge-of-your-seat thriller with many twists and turns. *bi*Booktrib.com*iib*This page turner reminded me of the Saturday matinee movie serials with each chapter leaving you

breathless at the conclusion RUN AWAY is a
pip. bb biDavid Rothenburg, WBAI
