## Book Description

Review Bharara positions Doing Justice as a treatise on the rule of law and faith in the rule of law at a time when both are under threat. The contrast with Trump, and his contempt for the rule of law, is inevitable. Beyond simply rebutting the president, though, Bharara seeks to present the justice system Trump disdains as a source of inspiration for a healthier politics. His reflection on the role of the justice system in America is an effort both to make the inner workings of that system accessible to people unfamiliar with what criminal justice looks like from the perspective of law enforcement, and to suggest how people might apply ideals and habits honed in the courtroom to the patterns of everyday life.

The Washington Post

His first book, Doing Justice A Prosecutor's Thoughts on Crime, Punishment and the Rule of Law, takes us back to basics, asking us to reflect on what truth means when a serial liar sits in the Oval Office what civility involves amid all the social media yelling and how to uphold the rule of law when thuggish behaviour appears to be the order of the day At its most powerful, Doing Justice works as a metaphorical survival guide for the Trump era. As with everything Bharara does, he writes in a tone that is calm and considered, a warm bath after the outrage of Trump's daily tweets That's what has made him such an unlikely superstar

following his dismissal at Trump's hands.bb  
iThe GuardianibbLike the best lawyers and  
writers, Preet Bharara tells a good war story.  
But Doing Justice is a great deal more a vivid  
memoir of a critical job, a primer on the  
toughest questions of prosecutorial ethics,  
and a reminder of the drama inherent in life in  
the courtroom arena.bb Jeffrey Toobin, author  
of iAmerican Heiress The Kidnapping, Crimes  
and Trial of Patty HearstibbMost chapters  
delight or provoke in some way His book is  
ultimately about ordinary fallibility, and how  
those responsible for the dispensation of  
justice are regular humans, prone...
